

Good evening fellow HOG members,

Let me start with the not so good news - Saturday morning on the way back to the dealership at about 10 am, James Traenkner was run off the road by one of the San Antonio cage runners. His bike flipped but he will attest to the value of good quality riding gear. No road rash but he suffered a broken elbow and bruised ribs. In speaking with Kalyn tonight his bike was pretty well damaged. God speed on your recovery brother.

We had our first Chapter Social this past Saturday and the membership renewal process has begun. Just want to remind you that per the by-laws, renewal should be accomplished by January 31st. You can contact Maria Robles, the Membership Officer or any of the primary officers to arrange to renew your membership. You can also drop it off at the dealership with Laura at the reception desk. REMINDER - Maria does not receive text messages but will always answer your call.

The members at the Chapter Social were asked to vote on the charities we want to support this coming year. The winners were:

Monetary - Medina Children's Home. In addition to the monetary donations we will also look at doing the annual picnic day with them and may be throw in a couple of afternoon visits. Details to follow at a later date.

Time/Labor - San Antonio Food Bank. We will work to have canned food collections and possible ride to the food bank and spend a morning working in the warehouse.

During the meeting the chapter officers conducted a little survey session with the members present. The feedback was awesome. We have interest in short and long rides with focus on seeing things or just ride with short stop in the middle. Most folks seemed very pleased with the 10:30 start time that we have adopted.

We will begin selling bike raffle tickets in February. This year we will be giving away a Super Glide Custom - lots of shiny chrome. We will be shooting to sell 2500 tickets. The raffle will take place August 27th, 2011. One week prior to the raffle we will be having a ticket sellers party and giving away some nice prizes. You will get an entry ticket into the prize drawing for every book of ten tickets sold. More details will be announced at the February Social.

Have a great week!!! Remember: Ride and have fun!
