

The Price For Beautiful Weather Is One (1) Flat Tire

What we did last week:

A group of y'all spent time in Galveston but not before you had to wait for our fearless leader to fix a flat. Kudos for hanging in there and not abandoning the group. Looking forward to seeing some pics soon.

Channel your inner artist while you enjoy some of my wine. Yes, I'm bringing a few bottles from my stash to share. If you've never painted before, don't worry, they lay it all out for you and it's fun. When you're done you'll go home with a masterpiece that you created. It's \$35 per person to cover supplies and canvas but its well worth it. This isn't just for our chapter so bring a friend.
