Meeting, Fundraiser and Demo Days - Well we had a very busy weekend with having our meeting, a great fundraiser and hosting the Demo Days. It could not have been a success without all of the volunteers that helped with all of the events. All of the folks that helped Bobbi serve up that delicious pulled pork sandwiches with all of the trimming. 2 days of Demo Days which required setting up the tables, getting all of the bikes out and back up at the end of the night, getting all of the riders signed up, and leading and sweeping all of the rides could not have been done without all of our great volunteers. I have numbers from Saturday which had 114 folks registered and 189 total riders for the day. Whew!

We all have busy schedules and not able to help at all of the events, there are more activities we can always use your help with in the future. Thanks Caliente Chapter. Diane
