Odds and Ends

HOG Ride – 25 April, 2021 Over Night To South Padre Island (SPI)

LRC - F1, SRC – BT

A bright and clear morning in the Alamo City. Thirteen riders and one passenger on 5 bikes and 8 trikes (a strange demographics if I do say so 😊), hit the road at 08:10 AM with everyone pointed South to SPI. Wasn't long before the heat kicked in and clothing changes were made along with many fuel stops and water purchases. Pretty much a straight shot and uneventful until we reached the road to the SPI Causeway. About 15 minutes to join traffic then about an hour to get to the island. I have never seen that amount of traffic in the many times I have been to SPI. The sun and heat were brutal. Finally, to our motel and a little rest before dinner. The food at the Padre-Rita restaurant was good but the service was not good. The next morning we huddled up at about 08:00 AM, found a great place for breakfast then rode to the beach for some pictures then pointed our steel horses North. The closer we got to SA the more congested the traffic became. But we made it with everyone safe and having had a good time. Round trip 610 miles. BT Parcenu
