## **Odds and Ends**

Three bikes, four trikes and two cages off we went for a 179 mile round trip to Panna Maria to view the painted church. For some it was the first time there and for some of the old timers it was a reminder how beautiful it is. Lou did an outstanding job of providing a scenic route through two states. Not really! The venue for lunch provided very good food. The waitress provided pretty good service even though two orders were screwed up. The weather was beautiful and the ride was safe with pit stops to keep our riders comfortable. There was a drawing for a gift card won by Jack P. This will be a normal practice, so come on out for the next ride and you could be the next winner. Everyone be safe out there and join up with your fellow members. Jack

Booster Pack and Harnesses – Per Derrick - We are now stocking these harnesses at the dealership and should get our first batch by Monday.

### **T-Shirts & Name Tags**

We are in the process of taking names for T-Shirts (\$30) (grey) and Name Tags (\$10) – each has a minimum # required before they can be order. Please let me know if you would like to order one. Thanks, Diane
